CONVENTION INFO

WRISTBAND PICK-UP
Wristbands MUST be picked-up from a designated BLDC representative on FRIDAY (see the BLDC schedule document for designated pick-up times). If you are not available at the designated times, please arrange for someone else to pick up your dancer's wristband.

Wristbands: Anyone entering the ballroom during classes will be required to show a wristband. Registered dancers must wear their wristband for classes on both days as well as during competition on Saturday.

Convention Attire - Please ask if you have questions about convention attire.

- Because the convention classes cover a wide range of disciplines, dancers should wear dancewear that is appropriate for all of them. Leotards, alone or with shorts or leggings, or dance tops with shorts or leggings are all appropriate.
- T-Shirts, baggy tops, or baggy pants should not be worn in class. (Exception, Hip Hop Class)
- We recommend that students do not wear tights. If they feel they need to wear tights, they should wear convertible or footless tights that are fleshtone, not pink.
- Appropriate footwear should be worn for all classes. Sometimes an instructor might prefer socks or bare feet for their class. **We suggest that dancers have a pair of flesh colored or black crew length socks in their dance bag in case this is requested by the teacher.**
- **Reminder! Absolutely no socks should be worn with ballet or jazz shoes! If your dancer insists on wearing socks with tap shoes, they should be low cut liners and not be seen peeking out of their shoes!**
- Dancers need to have their hair neatly put up and should take care with their appearance for classes. Think "picture ready"

Dancers are placed in the convention classes based on their age as of January 1, 2025.
Magic Minis: Ages 4-6
Juniors: Ages 7-11*****
Teens: Ages 12-15
Seniors: Ages 16 & up

***Please see important scholarship audition info below for dancers who are 11 years old as of Jan 1, 2025.**

OBSERVER POLICIES

- **Please take your dancer's learning style into consideration before deciding whether to observe class.** Some dancers may be distracted or feel uncomfortable having a parent observing and therefore may not get the full benefit of the convention classes.
- Observers must be attending with paid students only.
- Wristbands must be visible to the staff at all times in all rooms during convention classes.
- Please do not talk while classes are in session.
- Silence your phone. Discussions and phone calls must be taken outside the ballroom.
- Chairs and belongings must be kept back against the walls in order for dancers to have maximum dance space.
- Do not bring large bags or competition supplies into the classrooms.
- If a wristband is lost, a new one must be purchased.

DURING CONVENTION CLASSES
Please take time to locate the restroom and have your dancer use it before classes start and at lunch. If you do not feel comfortable with your dancer leaving the classroom to use the restroom alone, please remain outside the ballroom while classes are in session.
